C7000 Series

THE NEW C7000 SERIES COLOUR AND MONO PRINTERS

C7000 SERIES: ENABLING MEDIUM TO LARGE WORKGROUPS TO PRODUCE EFFECTIVE PRINTED COMMUNICATIONS

THE POWER TO PRODUCE EXCEPTIONAL RESULTS – FROM THE BUSINESS PRINTED COMMUNICATIONS SPECIALISTS

Oki specialise in helping organisations of all sizes to produce the most effective results possible – quickly, confidently and cost-effectively. Back in 2000, we were the first to introduce fast, affordable 2-in-1 printing to the workplace, with the launch of the award winning C7000 Series, allowing businesses to benefit from printers that offer high quality colour printing and affordable mono printing all on one machine. This innovative thinking is behind all our colour printer range – because Oki understand how vital printed communications are to the success of any enterprise. The latest example of this pioneering spirit is our new, even faster C7350 for medium to large workgroups.

THE PERFORMANCE THAT MODERN BUSINESS DEMANDS – AT A PRICE ANY BUSINESS CAN AFFORD

The new C7350 delivers powerful performance – 24 pages per minute colour, 26ppm mono and just 9 seconds to the first printed page. But it takes more than printer speed alone to optimise productivity. That's why the C7350 also comes with an impressive 530 (+100) sheet tray capacity, Oki's hard-earned reputation for reliability and a robust 100,000 page per month duty cycle. All of which adds up to less user intervention and more work from your workgroup.
You might expect this high performance to come at a high price, but as with all Oki colour printers, the C7350 is surprisingly affordable – to own and to run. Even printing black and white documents costs no more than an average mono only printer. And when you see the results the C7350 produces in-house, you can't fail to be impressed.

IDEAL FOR VOLUME PRINTING

JUST 9 SECONDS TO FIRST PRINTED COLOUR PAGE

24ppm colour & 26ppm mono

TIME TO FIRST PRINT: 9 SECS COLOUR AND 8 SECS MONO

HIGH CAPACITY TONER CARTRIDGES DELIVER 10,000 PRINTED PAGES AT 5% COVERAGE PER A4 PAGE

STANDARD PAPER TRAY CAPACITY OF 530 SHEETS

PRINTS PAPER WEIGHTS UP TO 203GSM

ADDITIONAL 530 SHEET PAPER TRAY (STANDARD ON C7350dtn)

OPTIONAL FLOOR STANDING CABINET (STANDARD ON C7350dtn)

24PPM COLOUR AND 26PPM MONO

INTEGRATED NETWORK CARD (ALL MODELS)

1200 X 600 DPI RESOLUTION

SINGLE PASS DIGITAL LED TECHNOLOGY DELIVERS HIGH SPEED AND SUPERB RELIABILITY

FLAT PAPER PATH ENABLES BANNER PRINTING UP TO 1.2M LONG

INTEGRATED DUPLEX UNIT FOR DOUBLE-SIDED PRINTING (OPTIONAL ON C7350n)

MAXIMUM PAPER INPUT CAPACITY OF 1,690 SHEETS WITH 2 ADDITIONAL TRAYS

C7000 SERIES: PRINT HIGH VOLUME MAIL SHOTS IN-HOUSE, AND WITH EASE

RESULTS WITH IMPACT – PRODUCED WITH EASE

Oki not only believe in the power of printed communication for business, we believe everyone in the business should have the power to produce impactful results – first time, every time. Our new C7350 effortlessly prints PDF files, transparencies, spreadsheets and colourful presentations. We also provide easy-to-use software like Template Manager which allows you to quickly and confidently create a range of impressive documents – from business cards to 1.2m long timing plans and banners. And if you need any help, just click the 'Ask Oki' button on your printer's driver screen which takes you straight to a dedicated web site specific to your model, helping you unlock its full potential – and yours. We call this commitment to empowering Oki users **Chromability™ – in-house colour printing made easy, only from Oki.**

FULLY FEATURED – FOR ADDED VALUE

With the C7350 you get the complete package – a workgroup printer that delivers great results, reliable performance, enhanced workflow and a range of optional features that allow you to do even more. The C7350n can be upgraded with a single-process duplex unit enabling you to save time, space, paper and printing costs by producing double-sided documents quickly and easily. A stylish floor-standing cabinet is also available, enabling you to store paper and toner and position the printer anywhere in the office. Other features include Auto Colour Balance to ensure colour consistency throughout the life of the printer and Auto Media Detect to identify paper weight variations, minimizing paper jams. In addition, all printers are supplied with a free range of network utilities for print management and control.

Network printers the whole department can rely on

SMARTER TECHNOLOGY – REAL RELIABILITY

As with all our colour range, the new C7350 benefits from Oki's market leading expertise in single pass digital LED technology. This delivers many advantages over other printers: printing four colours in a single pass is significantly faster, while the straight paper path makes printing smoother, helping the printer handle different sized media with paper weights up to 203gsm.

INTEGRATED DUPLEX UNIT FOR DOUBLE-SIDED PRINTING (OPTIONAL ON C7350n)

NOW MEDIUM TO LARGE WORKGROUPS CAN MAKE A BIG IMPRESSION – QUICKLY, EASILY & AFFORDABLY

WHY OKI?

We believe that effective printed communications are fundamental to successful businesses. That's why we focus purely on understanding their diverse printing requirements. Through our considerable technological resources we develop fast, high quality, cost-effective printing solutions that will benefit businesses today and long into the future.

It is the same progressive spirit that drove Kibataro Oki to found Oki Electric in 1881, and which helped his company to become the global, multi-billion Euro business that it is today. A business whose people share one single-minded purpose: helping other businesses grow and prosper by enabling them to create the best possible impression with their printed communications.

Oki have led the way in making in-house colour printing fast and affordable. We now lead the way in making it easy. This means more than providing unique technologies and in-built functions like fast, single-pass colour, double-sided printing, and banner printing: it means making those functions as easy to use as possible – first time, every time. We call this **Chromability™ – in-house colour printing made easy, only from Oki.** In short, it's about you getting the most from your Oki – and yourself.

Our colour-coded product segments below are designed to help you save time. When you want to add another Oki product to your range, or check out the latest advances in technology on our website, simply use the following colour guide.

COLOUR PRINTERS | **FAX/MFP** | **MONO PRINTERS** | **DOT MATRIX PRINTERS**

THE NEW C7000 SERIES COLOUR AND MONO PRINTERS

		C7350n	C7350dn	C7350dtn
Order number		01154401	01154501	01154601
Speed & throughput	A4 Print speed	24ppm colour, 26ppm mono		
	A4 OHP Colour	8ppm		
	Time to first print	9 seconds colour, 8 seconds mono		
	Warm up time	90 seconds		
	Processor speed	500MHz		
Print quality	Resolution	1200 x 600 dpi		
	Enhancements	Automatic Colour Balance ensures consistent colour at power on and at installation of new toner or drum; Auto Registration occurs on power up, when the cover is opened and after 400 printed pages (not in middle of printed job); Toner Save mode; Auto Media Detect; Auto Paper Tray Select; Ask Oki		
	Colour matching	Oki Colour Matching; ICC-compliant colour profiles for ColorSync and ICM; EuroScale and SWOP commercial press simulations; PANTONE Calibration		
Typefaces	Printer fonts	80 scalable PCL fonts, 4 bitmap fonts, 10 TrueType fonts, 136 Adobe Type 1 fonts, OCR A/B, USPS Barcode		
Printing process		Single Pass Digital LED electrophotographic page printer with four image drum cartridges		
Compatibility	Printer languages	Adobe PostScript® 3; direct PDF printing*, PCL5c & PCL6; Automatic emulation switching; Epson FX and IBM ProPrinter Dot Matrix emulations (*Hard Disk Drive required)		
	Connectivity	IEEE 1284 Bi-directional Parallel and Hi speed USB 2.0; 10/100-TX Ethernet card (standard)		
	OS Compatibilty	Windows 95 / 98 / 98 SE / ME / NT4 Workstation / NT4 Server / 2000 Workstation / 2000 Professional / 2000 Server /2000 Advanced Server / XP Professional / XP Home / NT Terminal Server Edition / 2000 Terminal Server with Citrix Metaframe 1.8 or Citrix Met / W2WK3 Server / Mac OS 9/Mac OS X 10.1 or greater/variants of UNIX and LINUX via PPDs		
	Network & protocols	10/100 Base TX Ethernet Card with internal Web Server for printer and network card set-up and management. Includes POP3 and SMTP Mail client for submission of print jobs and for alerts. All major network protocols supported – TCP/IP, Netware, Ethertalk and NetBEUI. TCP/IP : ARP, RARP, IP, ICMP, TCP, UDB, LPR, FTP, TELNET, HTTP(IPP), BOOTP, DHCP, SNMP, DNS, JetDirect protocols. Netware 3.x, 4.x, 5.x and 6 with full NDS and NDPS support:- PServer, RPrinter, NDPS supported via dedicated OKI NDPS Gateway. EtherTalk: ELAP, AARP, DDP, AEP, NBP, ZIP, RTMP, ATP, PAP. NetBEUI: SMB, NetBIOS.

	20GB Hard Disk Drive	Optional		
Paper handling	Paper input	Internal tray: 530 sheets, Multi-purpose Tray: 100 sheets, Optional: 2nd/3rd paper tray (530 sheets each) Maximum Paper Capacity with optional trays: 1,690 sheets		Standard trays: 1060 sheets, Multi-purpose tray: 100 sheets, Optional paper tray: (530 sheets), Maximum Paper Capacity with optional tray: 1,690 sheet
	Paper weight	60 - 176gsm from internal tray (and optional trays); 64 – 203gsm from multipurpose tray, duplex 75 – 105gsm		
	Paper size	A4 , A5, B5 , A6 (tray 1 only), Legal13, Legal13.5, Legal14, Letter, Executive, Oki A4 banner, Oki Business Card media		
	Duplex	Optional	Standard	
	Paper feeding	Auto Media Detect (automatic paper weight detection), Auto Paper Tray Select, Tray Empty Sensor		
	Paper output	500 sheets, 100 sheets face up		
	Copying options	S700 Scancopier offers high quality A4 colour and mono copying at up to 3ppm colour and 10ppm mono. Supplied with Uni Message Pro for scan to PC and scan to e-mail. Automatic Document Feeder optional		
Operating conditions	Temperature/humidity (operating)	10˚C – 32˚C (17˚C – 27˚C recommended)/20% – 80% RH (50% – 70% RH recommended)		
	Temperature/humidity (storage)	-10ºC – 43ºC, 10% – 90% RH		
Power requirements	Power supply	Single phase 220 – 240VAC, frequency 50Hz ± 2Hz		
	Power consumption	Typical 600W, Peak 1500W, Idle 120W (average), Power Save ‹ 45W		
Dimensions (HxWxD)		430 x 430 x 620mm		
Noise level		Operating: 56dB(A), Standby: 45dB(A), Power save: 43dB(A)		
Weight		47.5kg approx		
Duty cycle	Max. printer duty	100,000 pages/month		
Warranty		Pan-European 1 year on-site		
Supplies life	Toner	10,000 pages @ 5% coverage per colour (printers are shipped with 5,000 pages worth of each toner @ 5% coverage)		
	Drum	23,000 pages average life		
	Fuser	60,000 pages		
	Transfer belt	60,000 pages @ average of 3 pages/job		
Accessories	Cabinet	Optional		Standard
	2nd/3rd tray	Optional		Standard
